4th grade students packed their own wagons for a trip across the Oregon Trail and talked about what happened to Job Carr when he got out to the Puget Sound area.

We also talked about their "digital footprint" and how to keep online gaming fun and friendly.

What's better than the Three Little Pigs? It's the Three Little Pigs told in Shakespearean English! (An example of how language has changed over time!)

We also talked about cyberbullying and what to do if you see or experience it!

● 6th

What techniques do advertisers use when trying to persuade you? We looked at original movie trailers and then the "scary/horror" versions of both Mary Poppins and Frozen!

Also, we started a research project trying to figure out how Otzi the Iceman died in the Italian Alps!
